

## Town of Parker Scholarship Guidelines for Applicants

### General Information:

The Town of Parker's Parks and Recreation Scholarship program was designed to help Parker families and/or individuals needing financial assistance to participate in the Town's Recreation programs and facilities. Scholarships may only provide a portion and of the total fee but never the entire amount. Local businesses, community groups, and individuals contribute annually to the scholarship fund, it is not supported by tax dollars and varies each year.

- Requests for scholarships for sports, classes and activities must be submitted at least two weeks prior to the start of the program.
- Need is the primary criterion upon which scholarships are considered. Accepted applicants are expected to pay at least 25% of the registration or membership fee. You may be expected to pay up to 90% of the class fee if it is a contractual class (not instructed by a Town employee). No full scholarships will be awarded.
- The Town of Parker reserves the right to determine scholarship values particularly if the demand for scholarships by the community is high as well as fund availability. The maximum scholarship value is \$100 per calendar year per family.
- Approval of any scholarship application does not automatically ensure a registration into a program, space must be available. Registration for any program is the responsibility of the person requesting assistance. All payments must be received prior to the registration deadlines and participation.
- All information received from applicant will remain confidential.
- Eligible programs include Sports leagues, Kids Zone classes, Aquatics, 3-month facility family pass or a 20-visit facility punch pass.

### Eligibility:

- Family and/or individual must be a resident of the Town of Parker (proof of residency could include current utility bill, housing lease, etc., also must be primary residence).
- Family qualifies for Douglas County free or reduced lunch program (provide a copy).
- Proof of income – All applicants must show proof of income such as most recent tax return, last two pay stubs, or information from an appropriate social service agency that is acceptable to the Town.
