4. Pitchers will be allowed 5 practice pitches before pitching to their first batter; once they have already pitched during the game, they will only be allowed 3 warm-up pitches at the beginning of their half of the inning.

5. **Ages 10 to 12 (Minors) Only:** A Coach-Pitcher may be used *after the player-pitcher has walked 4 opponents within one inning* (walks do not have to be consecutive). The coach pitcher may relieve the player-pitcher for the remainder of the inning (in all innings this occurs) in the following manner:
 - a. Player-pitchers will pitch to their opponent until 4 balls are called after which point a coach/parent from the batting team will pitch, in an underhand motion to the batter. The player-pitcher will stay on the field in a defensive position with at least one foot in the pitcher's circle.
 - i. The count continues from the time the coach/parent enters the game until the batter completes one of the following:
 1. puts the ball into fair play
 2. strikes out
 3. reaches 7 total balls and takes a "Walk"
 - ii. The player-pitcher will then restart with the next batter.

4. A runner who intentionally runs into a defensive player will be declared out.

5. Sliding will be allowed and players should slide to avoid collision.
6. When the ball is in possession of the pitcher, base runners must choose a base to return to (the one they came from or one they were running too) but the pitcher can attempt to make a play to tag the runner out. If the pitcher does not make a play, the ball will be declared dead and the base runner will be sent to the nearest base.
7. The play shall end when the ball is declared “dead” by the umpire. The umpire shall position all base runners when needed.
8. **The clapping of hands or making distracting noises to sidetrack the pitcher will not be allowed and the base runner will be given one warning and then called “out.”**
