

## Adopt-a-Flowerbed Application

Adopt-a-Flowerbed is an effort to encourage community involvement in the enhancement of public parks and facilities. This program is a volunteer-based activity where area volunteer groups "adopt" a flowerbed within the Town of Parker. The adoptive group is responsible for maintaining the selected bed with direction and oversight from the Parks and Recreation Department. Please contact Parker Parks and Recreation to schedule an initial on-site meeting and to go over maintenance needs and frequency requirements.

I have read the guidelines and agree to perform the duties listed under the volunteer's responsibilities section. Responsibilities include weeding, dead-heading and general aesthetic maintenance of flowerbed. (See guidelines for a complete list of responsibilities)

I have read the Town of Parker Volunteer Release of Liability form and agree to the terms and conditions set forth in the waiver.

It is the intent of this agreement to provide quality, attractive flowerbeds to enhance the beauty of our community. If at any time the Parks and Recreation liaison deems the flowerbed or planter is unsightly, contact will be made with the individual adopter or group team leader. Any time you need assistance or have problems meeting the maintenance schedule, please call the Park and Recreation Department for support at 303.805.3206. Thank you for volunteering your time and effort!
